JEM™

Truly
Outrageous!

Ages: 5 & Up

With the tremendous growth of music videos and their strong influence on today's youth, Hasbro has developed JEM™, a new fashion doll and a truly outrageous rock star! The JEM concept centers around a beautiful, young woman of the '80s with a secret dual identity! Off stage, she's Jerrica Benton, co-owner of Starlight Music Corporation! With the help of a holographic computer image named SYNERGY™ that focuses her power through special LED earrings, Jerrica™ mysteriously transforms into JEM, the hottest rock singer to hit the stage!

In addition to the lively animated television series, the JEM line will be supported by dynamic commercials and an aggressive advertising campaign, as well as premium and promotional support programs! JEM™ is truly outrageous!
